- Red
- Transparent

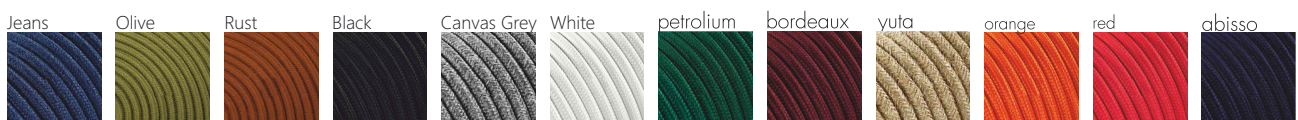

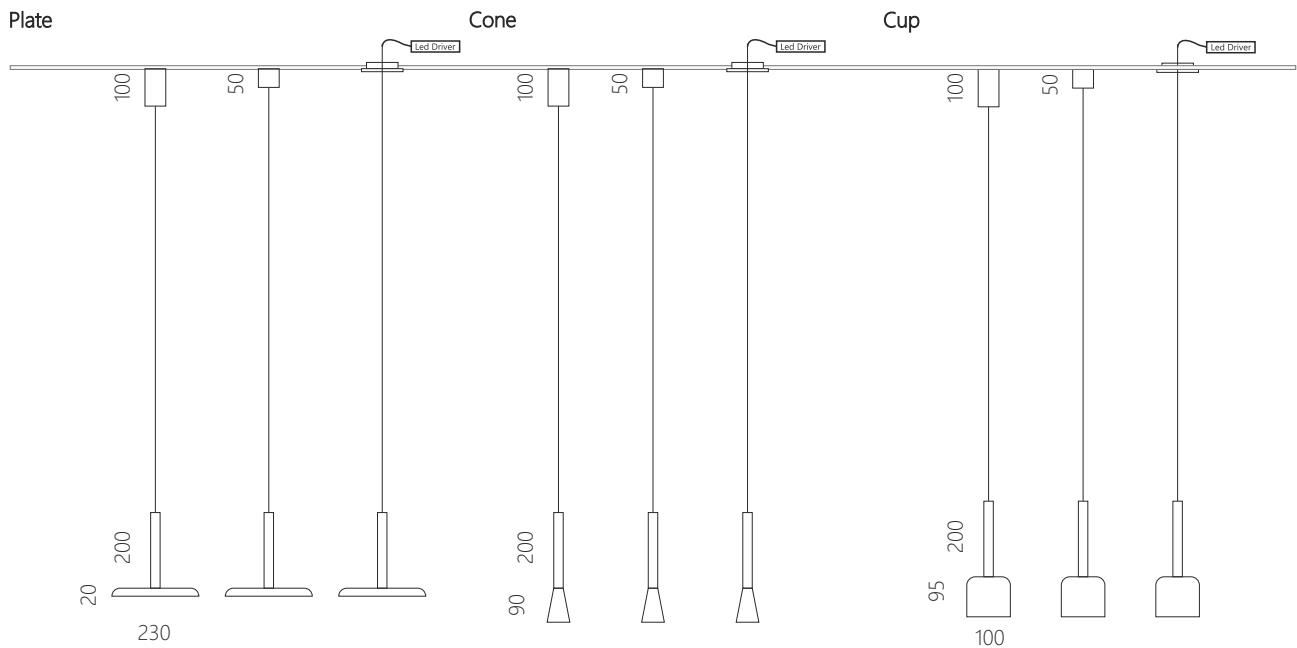

CE IP 20

Version 350mA

Nominal Current 350mA
 Color temperature 2700K, 3000K, 4000K
 CRI (Ra) 80
 Beam Angle : 12°, 25°, 40°
 Nominal Watage 3,2W 350lm
 Power suply to order separately

Version 220V

Nominal Voltage 220V AC
 Color temperature 2700K, 3000K, 4000K
 CRI (Ra) 80
 Beam Angle : 12°, 25°, 40°
 Nominal Watage 3,2W 350lm
 Power suply integrated in ceiling rosette h 100mm

Cup, Cone and Plate lamps are aluminium lamps which consist of a Twenty-five suspension lamp with various lamp shades. The lamps have an LED light source with three choices of optics and three choices of light temperature. They can be ordered either with a power supply integrated in a ceiling rosette (rosette height 100mm) or in a 350mA version (rosette height 50mm). The lamps come in black or white, but can be made in any other colour upon request. The cable is black and 2,8mm thick; also upon request with a textile finish (6,2mm thick) with a choice of over 20 different colours.
